Dear Exhibitor,

Please find the attached 2009 12th National Rally entry form.

It has been a long time coming but we have had a number of issues to resolve with the Motor Accident Commission in regard to unregistered tractors. Under SA law, on a site such as a rally ground, an unregistered vehicle such as a tractor can not be driven under its own power while being unloaded from a carrying vehicle or moved around the site without appropriate third party insurance. We can arrange "blanket" third party accident insurance cover for you if you fill out the Blanket Cover section on the entry form. However, due to restrictions placed upon us by the insurers, non registered vehicles will probably not be able to take part in the Grand Parades, but rest assured we will have areas where you will be able to drive your vehicles. We very much understand the need for exhibits to be working and moving and will endeavour to provide the best possible exhibitor facilities for you. If you have any concerns with this issue please contact me.

In order to save costs we will not be sending out receipts for entries or accommodation. These will be included in your rally pack. We are running on a very tight budget and every cent saved helps. If you feel you need to confirm your accommodation or entry, please feel free to contact me.

Registration questions should be directed to the contact listed on the entry form, general enquiries should be addressed to the contact on our letterhead.

Please be kind to the Registrar's assistant who will be entering your data into our system. It is extremely important, both to you and us, that we get your information correct and complete. **The forms are double sided so please read your form carefully and print all information requested.** If you need extra sheets, please photocopy and attach as required.

Thank you for being patient. The organising of the rally is a huge job but we believe we are on track.

It has been great to meet so many people by email and phone and the Committee looks forward to meeting you in person next year.

Allan Wheaton
Secretary
12th National Rally Management Committee Inc.
